

## THE GIN AT NOLAN CREEK GLUTEN FREE MENU

We are not a gluten free facility, but make every effort to accommodate the gluten free consumer. The management team and staff is not trained on the intricacies of Celiac Disease or gluten intolerance and can't be expected to provide recommendations or advise on these issues. The following is a guide to help you making selections according to your diet.

**\*CC\*** designates items with a known cross contamination. These items are thought to be without gluten, but have a known cross contamination. These offerings are cooked with items that contain gluten and should not be considered gluten free. Those who are highly sensitive to gluten intake should not consume items marked **\*CC\***
